INTERESTED IN VOLUNTEERING?

Research shows that when parents are involved, their children get better grades, have a better attitude towards school and have improved behaviour.

Volunteering is also a fantastic way to meet new families and make new friends while contributing to your School Community.

JUST 1 THING!

We have a variety of areas and times that we'd love to have your help with. So, if you can spare an hour once a week or a day once a month, please see the Tuckshop Staff about adding your name to our regular Volunteer Roster.
