2023 Miami BYOD iPad User Agreement

Families are in partnership to ensure that iPads are for learning. In order to support the successful integration of iPads as learning tools both students and parents have responsibilities. Please read and sign the following agreement in preparation for your child's participation in the BYOD iPad Program for 2023.

Students will:

- Use iPad for learning at school so I will only use SCHOOL APPS while at school
- Bring my iPad with 100% battery every day
- Not take photos/videos/recordings unless directed by a teacher
- Not upload or share any school work unless directed by a teacher
- Choose "Always Allow" in the Classroom App, and I **will not** change these settings
- Keep my case on my iPad
- Leave iPad inside during break times
- Keep iPad in my bag before and after school including at before and after school activities such as TSP / JEP / Steam
- YMCA Families: Store iPad's in the same way that iPad's are stored in Miami State School classrooms. I will only access my iPad if directed staff to complete homework activities.

If I do not follow these rules I understand that:

- My parents may be notified.
- I may lose the privilege of using my iPad at school for a period of time and I will still need to complete my school work in other ways.
- The Miami State School Student Code of Conduct will be used to inform any necessary consequences.
